AN ACT

1 To amend Title 42 of the Official Code of Georgia Annotated, relating to penal institutions,  
2 so as to create the "Life to Life" program; to provide for a short title; to provide for  
3 legislative findings; to provide for the establishment of a program by the Department of  
4 Corrections, the State Board of Pardons and Paroles, and private industry for the employment  
5 of qualifying inmates in work areas outside of the United States and its territories; to provide  
6 for the requirements of such program; to provide for the qualifications for inmates to  
7 participate in such program; to provide that successful completion of such program shall  
8 result in the parole of the inmate or the commutation of such inmate's sentence; to provide  
9 for sanctions for failure to complete such program; to provide for related matters; to repeal

11 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

12 **SECTION 1.**

13 Title 42 of the Official Code of Georgia Annotated, relating to penal institutions, is amended  
14 by adding a new chapter to read as follows:

15 "CHAPTER 14

16 42-14-1.

17 This chapter shall be known as and may be cited as the 'Life to Life Program.'

18 42-14-2.

19 The General Assembly finds that the Department of Corrections serves to fulfill the  
20 purposes of restitution, rehabilitation, and restoration with regard to the inmates assigned  
21 to its custody. Over the years, in the United States, inmates have been used to assist in  
22 cases of natural disasters, allowed to serve in the military, and utilized for other worthwhile  
23 civic projects. The inmates serving in these programs paid their debt to society through

1 their service, were rehabilitated through developing marketable skills, and were restored  
2 to society by having shown their good works and service. The General Assembly finds that  
3 such a program would be useful today to allow offenders to provide restitution to society,  
4 be rehabilitated, and be restored to society.

5 42-14-3.

6 (a) The Department of Corrections and the State Board of Pardons and Paroles shall  
7 establish a program for service for qualifying inmates. Such program shall be voluntary

17 (2) Monitor the activities and performance of such inmates in accordance with such  
18 terms and conditions as specified by the Department of Corrections and the State Board  
19 of Pardons and Paroles;

20 (3) Provide the inmates with a salary as agreed by the company and the Department of  
21 Corrections and the State Board of Pardons and Paroles, provide a per diem for such

25 while performing work for the company, provide the inmates with the necessary training  
26 to perform the tasks at the work site which training shall be provided outside of the  
27 United States and its territories, and provide transportation for the inmates to and from  
28 the work sites outside of the United States and its territories; and

29 (4) Perform such other tasks and responsibilities as may be required in such contract with  
30 the Department of Corrections and the State Board of Pardons and Paroles.

(7) Agree to the wages and conditions of the program;

(8) Agree to the suspension of their sentence of incarceration while in the program; and

(e) Wages paid to an inmate by a participating company shall be divided as follows:

(1) Twenty-five percent shall be remitted to the state treasury and it is the intent of the General Assembly that an amount equal to the funds received pursuant to this paragraph in the preceding fiscal year be appropriated to the Department of Corrections in the next fiscal year's budget;

(2) Fifteen percent shall be remitted to the state treasury to offset the expense of operating the program;

(3) Forty percent shall be paid into an interest bearing savings account for each inmate which shall be held for the benefit of such inmate until the inmate completes the program at which time it shall be paid over to such inmate; and
